LETTER OF COMPLIANCE
For
LETTER OF DEFICIENCY
No. WD WWEB/C 06-01

Dear Ms. Aldrich:

The Department of Environmental Services, Water Division, Wastewater Engineering Bureau (DES) reviewed the actions taken by Northumberland in their March 8, 2006 response to Letter of Deficiency No. WD WWEB/C 06-01. DES determined that the issues addressed in the Letter of Deficiency have been resolved in a manner consistent with the Water Division regulations and NPDES permit requirements. Northumberland should continue with the actions listed in your March 8, 2006 correspondence. At this time, no further response from the Town is necessary. Therefore, DES hereby issues this Letter of Compliance.

Please be advised that DES will continue to monitor the compliance status of Northumberland, and that this letter does not provide relief against any existing or future violations.

If you have any questions regarding this matter, please contact Roy D. Gilbreth at 271-1494. Thank you for your cooperation.

Sincerely,
